

Portal for Research Internship

Mohit Solanki, 201701212 Assigned By Prof jayprakash lalchandani

Problem Statement :-

Students and professors faced issues in the process of Research Internship, Like get Topics from All the professors And then select one. Professors face issues to select students and give grads.

In this we have Three main User

- 1. Students
- 2. Professor
- 3. Admin (SRI coordinator)

Functionalities - Students
